Understanding the Position and Conditions of Work

Workers are responsible to pay their own taxes and are considered at will employees. Hired individuals are not eligible for benefits, insurance or workers compensation at this time. Reliable transportation, self-management, and the ability to meet the demands of the schedule are essential for success in this role. Those hired are expected to provide a minimum of two weeks notice prior to ending employment, unless both parties agree that an earlier termination is mutually beneficial.

This role requires working long days in the heat and sun, and requires:

- Lifting and carrying 50–100 lbs regularly
- Working outdoors in various weather conditions

I acknowledge that I understand and can perform the essential physical requirements of this job.
